Digital Discovery Conference March 27, 2008

Digital Discovery: Issues in Scholarly Publishing, an Elsevier Library Connect Program coordinated jointly by HAM-TMC Library and Rice University Fondren Library, will take place at The University of Texas School of Nursing at Houston on Thursday, March 27, 2008, 8:30 am – 3:00 pm. Elsevier is sponsoring this event. Registration is free.

The [conference website](http://resource.library.tmc.edu/DigitalDiscovery/) is available at: <http://resource.library.tmc.edu/DigitalDiscovery/>

We hope you will be able to join us for this thought-provoking event.

PubMed Alerts: E-Mail Notification of Major System Problems

The National Library of Medicine (NLM) announced a new e-mail notification service: PubMed Alerts. This new service will notify subscribers of major system problems with PubMed, the MeSH and Journals databases and the NLM Catalog when these databases have a significant service disruption.

To subscribe, send an e-mail to listserv@list.nih.gov. Leave the subject line blank and enter **SUBSCRIBE pubmed-alerts your name in the body of the message.** e.g., **SUBSCRIBE pubmed-alerts jane doe.**

More information is available at:

http://www.nlm.nih.gov/pubs/techbull/ma08/ma08_pubmed_alerts.html

NLM Exhibit Coming to the Library

The Traveling Exhibition “Changing the Face of Medicine: Celebrating America’s Women Physicians” will be on display at the Library from **April 23 through June 6, 2008.**

An opening reception on April 30, 2008 at noon and a panel discussion *Adventures and Challenges of Women Physicians* on May 6, 2008 at 11:30 am will take place in the Street Level Conference Room. These programs are free and lunch will be available to the first 35 attendees.

More information on these and other programs is available at the [Library’s exhibit website](#)
